**Instructions**

Pursuant to Act 1022 of 2021, this report must be completed and filed with the State Board of Election Commissioners within 30 days of an election. You are required to enter the number of ballots described next to each blank which is unshaded. If an election had no ballots which are described by an unshaded line, the individual completing the form should enter a zero. Lines which are shaded will be calculated based on the answers provided.

\* A ballot may be made provisional for more than one reason causing the total number of provisional ballots to sometimes be less than the total number of causes for ballots being made provisional.

† A ballot should be listed as rejected only for a single reason. If a ballot contains multiple deficiencies, the ballot should be logged for the first deficiency identified in the processing process which requires

the ballot should be logged for the first deficiency identified in the canvassing process which requires the ballot to be rejected.
